WIRE COLOURS

BLACK	Three phase power, 400 V AC
RED	Control, 230 V AC
ORANGE	Foreign voltage. Live with the isolator open.
BLUE (dark)	24 V DC positive
BLUE/WHITE	24 V DC common, 0 V
GREEN/YELLOW	Protective earth

WIRE NUMBERING

Every conductor carries the number of the sheet and column it originates on.
Example: 052.4 is sheet 052, column 4. Both ends agree.
Cross references are shown as /sheet.column at the break.
